

EXTENSIONS OF REMARKS

HONORING KENDALL EVELYN
MARCHANT'S EIGHTH GRADE
GRADUATION AT THE HOCKADAY
SCHOOL IN DALLAS, TEXAS

HON. KENNY MARCHANT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 24, 2018

Mr. MARCHANT. Mr. Speaker, I rise to honor my granddaughter, Kendall Evelyn Marchant, on her eighth grade graduation today at The Hockaday School in Dallas, Texas. For over a hundred years, The Hockaday School has been a world-renowned institution and is located in my congressional district. The school educates over 1,000 students from pre-K to 12th grade, with students coming from not only North Texas, but across the country and around the globe.

An important milestone in a student's academic journey at the school is the eighth grade graduation. This is particularly true for Kendall; she has accomplished much in her academic studies, most recently winning the eighth grade history award. Kendall has made her parents, Matthew and Lindsay Marchant, very delighted in her successes. Kendall has two sets of proud grandparents, Kenny and Donna Marchant of Coppell, Texas and Rod and Sherry Hill of Frisco, Texas.

Students celebrate the conclusion of their Middle School academic studies by arriving in traditional white dresses and listening to congratulatory remarks from the administration, faculty, and a chosen student speaker. This terrific event marks the celebration of the eighth grade class and prepares them to assume added responsibilities as Upper School students in the fall. It is also one last hurdle to clear before the start of a well-earned summer vacation.

Kendall has excelled both inside and outside of the classroom at Hockaday. She embodies the four cornerstones of the school: character, courtesy, scholarship, and athletics. In addition to her academic studies, she excels in drama, most recently being in the school play *Annie*, and she shines on the basketball court and softball field for her athletic teams.

I ask all of my colleagues to join me in honoring Kendall Marchant, and all the members and families of The Hockaday School Class of 2022, today on their eighth grade class graduation.

RECOGNIZING THE OPENING OF
THE GREAT RIVER ROAD INTER-
PRETIVE CENTER AT THE
GENOA NATIONAL FISH HATCH-
ERY

HON. RON KIND

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 24, 2018

Mr. KIND. Mr. Speaker, I rise before you today to commemorate the opening of the Great River Road Interpretive Center at the Genoa National Fish Hatchery. This Interpretive Center is along the Great River Road in Wisconsin and is one of our nation's most historic and extensive scenic byways. It is also part of the National Scenic Byways Program.

Today the Great River Road offers travelers not just a leisurely scenic drive but a unique and lasting journey through diverse communities and landscapes. At the Great River Road Interpretive Center in Genoa, visitors will have a chance to see Mississippi River fish species, birds native to the region and a history of the area's pearl button industry.

From its shores in Genoa, the new Interpretive Center provides a panoramic view of the majesty and magnitude of the Mississippi River. Standing outside its entrance doors, one recognizes the River's size, scale, and multiple uses. From outdoor recreation to commercial navigation, to serving as a primary corridor for North American waterfowl, the Mississippi River plays an essential role in the lives of the people of this region and nation. However, in addition to its recreational, navigation and wildlife use, the area and its landscape also tell an important part of our nation's history. It was here, near the new Interpretive Center that a significant battle of the Black Hawk War was fought. The new center features a description of this event with an exhibit dedicated to the Battle at Bad Axe. As a result, residents and tourist alike will better understand the story and history of the area and the role that the Mississippi River played in the region's development.

The Great River Road Interpretive Center is dedicated to protecting and honoring the Mississippi River as both a precious natural resource and an economic engine. Residents and visitors alike will benefit from the wealth of historical, cultural and ecological information that will be featured in this new facility here in Genoa.

The Great River Road Interpretive Center will serve as a gateway to the rich heritage of the Mississippi River for future generations.

RECOGNIZING AND COMMENDING
JONAH MARI GUMATAOTAO ON
BEING CHOSEN AS THE 2018
GUAM DEPARTMENT OF EDU-
CATION TEACHER OF THE YEAR

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 24, 2018

Ms. BORDALLO. Mr. Speaker, I rise today to commend and congratulate Mrs. Jonah Mari Gumataotao on being selected as the 2018 Guam Department of Education Teacher of the Year. Mrs. Gumataotao is currently a seventh grade Social Studies teacher and the chief advisor of the National Junior Honor Society at Augeda Johnson Middle School in Ordot, Guam.

Jonah has been a middle school teacher and serving with the Guam Department of Education for eight years. Jonah was chosen through a highly selective process to recognize one of the thousands of public school educators for demonstrating excellence in teaching. She was chosen from over 80 nominees and over 20 applicants by a panel of four judges.

Jonah is passionate about reaching all learners—English language learners, students in the Special Education program, and trying to meet diverse needs and learning styles of her students. She is also interested in discovering new ways to connect the classroom with the local community and instill in her students and NJHS members the importance of serving the island.

Jonah recently led the beautification of two vandalized bus stops in Chalan Pago, and was able to coordinate the help of students, parents, community partners, school staff and the village mayor. The end result was two stunning works of art that helped promote both team work and school spirit.

As a Social Studies teacher her goals are to encourage students to keep an open mind about different cultures and be inspired to someday travel the world.

Jonah recognizes that all students get a chance and they have to take it. She acknowledges the power of teachers to influence young minds, help shape personalities and contribute directly to future generations. She stresses to her students that success comes from making mistakes and learning from them, sticking by a commitment, and pursuing goals without hesitation.

I commend Jonah for her years of service and look forward to many more contributions to our island and nation.

STROKE AWARENESS MONTH

HON. JOYCE BEATTY

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 24, 2018

Mrs. BEATTY. Mr. Speaker, I rise today in recognition of Stroke Awareness Month celebrated in May of each year.

Mr. Speaker, every 40 seconds someone in the U.S. has a stroke.

In fact, stroke is the third leading cause of death in the United States, killing nearly 430,000 Americans every year.

Yet, by making simple lifestyle changes, according to the National Stroke Association 80 percent of all strokes are preventable.

Unfortunately, many wait until it is too late: I know, because I had a stroke when I was 49 years old.

Since that fateful day and a year of rehabilitation, I have worked hard to increase awareness alongside the American Heart Association, National Stroke Association, Women's Heart Alliance and many others.

However, we can and must do more.

That is why, as Co-Chair of the Congressional Heart and Stroke Coalition, I urge my colleagues to join me in raising greater awareness of stroke by cosponsoring my resolution, H. Res. 337.

Together we can combat this devastating illness and help find long-term solutions to better prevent, treat, and improve the lives of Americans and their families affected by stroke.

I thank my colleagues for passing the FAST Act in the Omnibus, because it expands access to telehealth-eligible stroke services under the Medicare program.

NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2019

SPEECH OF

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 22, 2018

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 5515) to authorize appropriations for fiscal year 2019 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes:

Mr. CONNOLLY. Mr. Chair, I rise today in support of my amendment to the National Defense Authorization Act for FY2019, which would require the Administrator for Federal Procurement Policy to define and track Procurement Administrative Lead Time (PALT).

PALT is the amount of time between when a solicitation or task order is issued and when a contract or task order is awarded.

A similar requirement for the Department of Defense was enacted as part of the FY2018 National Defense Authorization Act.

I commend the Department for acting quickly to establish a definition of PALT and a way to track it in the Federal Procurement Data System with minimal additional effort from contract officers.

This requirement should be expanded government-wide with relative ease.

Such tracking will help federal agencies ensure they are soliciting and acquiring goods and services in an efficient manner and help Congressional overseers identify agencies that are underperforming in this area.

I thank Chairman THORNBERRY and Ranking Member SMITH for working with me on this amendment.

REMEMBERING THE LIFE OF SISTER M. MAURICE WODARSKI, OSF

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 24, 2018

Ms. KAPTUR. Mr. Speaker, on this Memorial Day weekend, I rise to remember the life of Sister M. Maurice Wodarski, a dedicated servant of the Franciscan Order of Sylvania, Ohio. Of proud Polish/American heritage, she left us for God's grace this past January. Throughout her blessed life, she tended souls so faithfully, generously, and jovially. The sparkle in her eyes revealed a loving heart. And her crisply ironed beige habit with veil alerted you: this was a woman of serious purpose. Sr. Maurice was on a mission and she had no time to waste.

Having entered the convent from Nativity Parish in Toledo, OH in 1951, Sister Maurice lived her vows of poverty, chastity and obedience as a dedicated woman of faith and service who ministered for over six decades indefatigably to the young, young at heart, the home bound, those in nursing homes, and veterans. For 35 years she taught the young minds of students in Ohio, Michigan, Minnesota, and Maryland. She took great pride in teaching math, even helping other teachers decorate their bulletin boards, and instructing altar boys on Mass.

Sister Maurice had a gift for helping the elderly. After teaching, she began working on the ministry of care for Rosary Hall at St. Vincent Medical Center in Cleveland, OH for the elder Sisters, and then later at the new Franciscan Nursing Care Center in Sylvania, Ohio. She had trained as a home health aide, and went on to care for the elderly individually in their homes for over two decades. She brought joy and compassion. And she worked very hard.

A fierce and devoted advocate for veterans, Sister Maurice sought to honor her Korean War Veteran brothers who served in the Marines through her own service. She volunteered at the Toledo Community Veterans Outpatient Clinic, served as Chaplain for the Przybylski Post 642, and was a State Officer of the Ohio Chaplains. She received accolades for her veterans' work and was awarded the Volunteer of the Month in the VA's 2014 newsletter and the St. Agnes Medal from the National Catholic War Veterans Auxiliary. The St. Agnes Medal is the highest national honor a CWVA member can attain.

On June 1, 2018, I will attend a tree planting in honor of our late Sister at the Veterans Clinic in Toledo. I could not think of a more appropriate setting, as her memory will live on inspiring and comforting the veterans she cared for and appreciated. Please allow me to share a favorite memory recalling the sunny day when ground was first broken to build the new clinic. Photos were being arranged for those present and we soon realized Sister
